

Autobiographical Note

Ming Liu

Cornell College

23 November 2015

Quotation

"I can't be as confident about computer science as I can about biology. Biology easily has 500 years of exciting problems to work on. It is at that level."

—Donald Knuth

Biographical facts

- ▶ Born 1977 in AnHui, China
- ▶ I have a happy family here
- ▶ BA: AnHui Science and Technology University, 1996-2000
- ▶ Director of Housing and Assistant Dean: Anhui Science and Technology University, 2000-2006
- ▶ PhD: University of South Dakota, 2008-2015
- ▶ Short goal is to find a job
- ▶ Long career as a teacher/researcher/professor in science

Interesting facts

- ▶ Smallest bird I caught is Ruby-throated Hummingbirds
- ▶ Biggest bird I caught is Red-tailed Hawk

Special interests

- ▶ Computer language: C, python, Java, R
- ▶ Biology Science, physiology ecology and conservation biology
- ▶ Stopover ecology of woodland migratory birds
- ▶ HPAI investigation
- ▶ Badminton
