

Autobiographical Note

Norbert Wiener

Cornell College

23 November 2015

Quotation

*“What should young people do with their lives today?
Many things, obviously. But the most daring thing is to
create stable communities in which the terrible disease of
loneliness can be cured.”*

—Kurt Vonnegut

Biographical facts

- ▶ born January 1990 in Glendale, California
- ▶ studied two years at Bucknell University in Lewisburg, Pennsylvania
- ▶ now junior in CS at Cornell College
